

Welcome to Sixth Grade!

My name is Brenna McCormick, and I will be teaching your student language arts this year. I am so excited to be part of the FIVE initiative, and I know we are going to have a great year of growth and learning together. Whether you were in FIVE last year or this is a brand new experience for you, I promise to communicate well, keep our lessons engaging and rigorous, and do my best to make sure your student has an enjoyable and memorable sixth grade experience. I am looking forward to meeting you and your student, and I encourage you to reach out (bmccormick@lexrich5.org) with any questions, suggestions, or comments.

I know you are going to be inundated with information as we begin school and still feel like you have a million questions. (Believe me...teachers have been there, too!) I'm going to link some information below that I think will be helpful to get you started. (Click each image to access the information.) Just remember, with patience and grace, we are going to make the very best of our time together!
